

DEALERSHIP GUIDANCE: Plan and Respond to Coronavirus (COVID-19)

Hosting a Virtual Legislator Meeting

In difficult times, it's even more important to connect with decision-makers that can have an impact on how your business bounces back. They need to hear about your challenges, creative ways you have found to do right by your employees and your customers, and all of the essential services you are providing in the safest way possible. Host a virtual legislator meeting in 4 easy steps!

Sign Up with AIADA

AIADA will work with your legislator's office to set a mutually acceptable date and time for your virtual meeting. Simply [sign up](#) and AIADA will take it from there!

Download Virtual Meeting Platform

AIADA will advise you on your legislator's preferred virtual meeting platform (Zoom, WebEx, Google Hangout, etc.) and can assist you with downloading it if you have questions.

Review Materials and Talking Points

AIADA can provide you with information and talking points to prepare you for your virtual legislator meeting.

Join Scheduled Meeting
