**PARTICIPANTS OF THE DRIVE TO REMEMBER RALLY, PRESENTED BY THE LYON-WAUGH AUTO GROUP RAISED AWARENESS AND FUNDS TO FIGHT ALZHEIMER'S ON THE LONGEST DAY OF THE YEAR**

**GLOUCESTER, MA**– On June 21, 2021, the Lyon-Waugh Auto Group raised critical funds and awareness to advance Alzheimer's Association care, support and research programs . In total, the event raised over \$212,000.

**OVER \$212,000 RAISED AT THE DRIVE TO REMEMBER RALLY- JUNE 21<sup>ST</sup>, 2021 AND A MESSAGE FROM WARREN WAUGH**

What an evening June 21<sup>st</sup> was. Not only was it the longest day of the year but a night to remember! Participants of Lyon-Waugh Auto Group's Drive to Remember rally gathered at five of the eight Lyon-Waugh Auto Group locations, BMW & MINI of Peabody, Mercedes-Benz of Burlington, and Porsche & Audi, Nashua to rally for a cause and drive to Stage Fort Park in Gloucester to raise critical funds and awareness to advance Alzheimer's Association care, support and research programs.

Over two hundred guests and close to one hundred vehicles participated and raised \$212,000. This night we were all champions in this rally for a cure!

*"Having been the caregiver to my wife Liz for many years, I can describe this disease as a book with many chapters and a very bad ending. I am forever grateful to everyone that participated in our Drive to Remember rally and the City of Gloucester to help us raise over \$212,000 for the Alzheimer's Association. Just think, together we may have moved one step closer to the day that we can triumphantly say 'we have a cure'!"-Warren Waugh-*

**About the Alzheimer's Association<sup>®</sup>**

The Alzheimer's Association leads the way to end Alzheimer's and all other dementia — by accelerating global research, driving risk reduction and early detection, and maximizing quality care and support. Our vision is a world without Alzheimer's and all other dementia<sup>®</sup>. For more information, visit [alz.org](http://alz.org) or call the 24/7 Helpline at 800.272.3900.

Alzheimer's disease is the sixth-leading cause of death in the United States. More than 6 million Americans are living with Alzheimer's or other dementias, and more than 11 million family and friends are providing care and support. In Massachusetts alone, there are more than 130,000 people living with Alzheimer's and more than 281,000 family members and friends caring for them.
